(Department of Transport)

(Transport Wing)

RESOLUTION

New Delhi, the 17th August 1959

No. 24-MT(6)/52.—The Merchant Navy Training Committee appointed by the Government of India in 1947 to examine the problem of growing shortage of Merchant Navy Officers in the country and to make suitable recommendations, *inter alia*, made a recommendation that a Merchant Navy Training Board comprising representatives of Government, Merchant Navy Officers and Ratings, etc. should be set up under

the Chairmanship of the Director General of Shipping to advise Government on all training problems and to supervise training imparted in the various Merchant Navy establishments.

When the Merchant Navy Training Committee's recommendation was received, there was only one Merchant Navy Institution in the country, namely, T. S. "DUFFERIN" and this Institution was being administered by a Governing Body consisting of representatives of shipowners, Chambers of Commerce and Industry, Maritime State Governments, Dufferin Old Cadets Association etc. It was felt that while the establishment of a Merchant Navy Training Board had undoubted advantages, the proper time to set it up would only be when other training institutions recommended by the Committee had been established and started functioning in a fully organised manner. Since, then, five other important establishments have been set up, namely, Directorate of Marine Engineering Training, Nautical and Engineering College, T. S. "BHADRA", T. S. "MEKHALA" and T. E. "NAVLAKSHI". These five institutions have now attained full stature. Also, with the steadily expanding Merchant Navy, the demand for Merchant Navy Officers and ratings has increased and the problems that now arise in connection with the training and employment of Merchant Navy Officers and ratings are such as to require consideration in a co-ordinated manner. Time, is, therefore, considered ripe now for establishing a Board to advise Government on the entire Merchant Navy Training Programme. The Government of India have accordingly decided in pursuance of the recommendation made by the Merchant Navy Training Committee referred to above, to set up a Merchant Navy Training Board with the following composition and functions:—

A. COMPOSITION

President

1. Minister of Shipping.

Chairman

2. Director General of Shipping and Joint Secretary to the Government of India.

Vice-Chairman

3. Senior Deputy Director General of Shipping.

Members

4. Deputy Secretary to the Government of India dealing with training institutions in the Department of Transport.
5. Deputy Financial Adviser, Department of Transport.
6. Nautical Adviser to the Government of India.
7. Chief Surveyor with the Government of India.
8. Representative of the Ministry of Scientific Research and Cultural Affairs.
9. Representative of the All-India Council of Technical Education.
10. Representative of the Port Trusts (by rotation from amongst Bombay and Calcutta Port Trusts).
11. Principal, Nautical and Engineering College, Bombay.
12. Captain Superintendent, Training Ship, 'DUFFERIN'.
13. Director, Marine Engineering Training, Calcutta.
14. Senior most Captain Superintendent, of the Ratings Training Establishments.
15. & 16. Two Representatives of the Indian National Steamship Owners' Association.
17. Representative of Calcutta Liners Conference/Owners Agents Committee Crews (recommendation to be made by these bodies jointly).
18. Representative of the Maritime Union of India.
19. Representative of seamen.
20. Representative of Naval Headquarters.
21. & 22. Two Members of Parliament.
23. Representative of the Federation of Indian Chambers of Commerce.

The Principal, Nautical and Engineering College, Bombay will act as Member Secretary of the Board.

B. FUNCTIONS

The functions of the Board will be to consider all matters pertaining to the training of Merchant Navy Officers, ratings and other sea-going personnel and to recommend from time

to time all such measures as may be necessary for the building up of an adequate, efficient and devoted merchant navy personnel and, in particular—

- (i) to recommend, from time to time, the numbers to be recruited for training;
- (ii) to review from time to time the syllabus of training in the various institutions,
- (iii) to form Selection Committees for the recruitment of trainees for the Training Ship "DUFFERIN" and the Directorate of Marine Engineering Training;
- (iv) to constitute inspection teams for the periodical inspection of the various training institutions;
- (v) to maintain statistics relating to the officers of the Merchant Navy (The statistics for ratings are being maintained by the Seamen's Employment Office).
- (vi) to maintain contact with comparable training institutions abroad with a view to keeping abreast of the developments and improvements there,
- (vii) to consider and recommend the introduction of new courses of training study; and
- (viii) to maintain the requisite co-ordination between the various branches of training, particularly Navigation and Engineering.

This will be an Advisory Board and will have power to co-opt members. The personnel of the Board will be appointed by the Central Government after consultation with the interests concerned. The term of office of the representatives of non-official bodies on the Board will be two years.

ORDER

ORDERED that a copy of this Resolution be communicated to the Private and Military Secretaries to the President, the Prime Minister's Secretariat, the Cabinet Secretariat, the Planning Commission, all the Ministries of the Government of India, all the State Governments, the Port Trusts Bombay and Madras, the Port Commissioners, Calcutta, the Cochin Harbour Authority, the Visakhapatnam Port Authority and the Director General of Shipping

ORDERED also that the Resolution be published in the Gazette of India for general information.
